

This design created using the:

Monogram Wizard PLUS

Ad Design 008

1. **L** was typed into the **Letter 1 box**, **A** was typed in the **Letter 2 box**, and **B** was entered in the **Letter 3 box**.
2. The font selected was **Uniblock** and the **Letter Size** was increased to **2.00**.
3. The **Letter Width** was reduced to **80** and the **Kerning** was increased to **8**.
4. The **Individual Letter Movement** arrows were used to tuck the **L** a little more under the **B**.
